## EASTER ISLAND (9781553419273)

### Product description

3rd Edition. Easter Island is one of the most isolated inhabited islands in the world. It is famous for its giant heads, originally guarding family property. This map shows, and names, dozens of these stone monsters, some with their capstones still in place. The map also shows Hanga Roa, the only town on the island, and shows accommodation and points of interest. This is a travel adventure destination.
