---

### Product description

---

This beautifully illustrated and updated DK Eyewitness Travel Guide: The Netherlands shows off this country region-by-region, from the Frisian Islands in the north to Zeeland in the south, with fine sandy beaches, picturesque villages, and vibrant towns.

DK Eyewitness Travel Guide: The Netherlands provides a wide-ranging selection of restaurants, shops, and nightlife venues, plus sights, festivals, and markets, listed town by town. This guide will help you get the most out of your trip, whether your interests lie in cycling the remarkably flat countryside, seeing the craft of Delft porcelain, or visiting the tulip fields and flower markets.

The guide includes detailed coverage of Amsterdam. Illustrated maps will help you explore Amsterdam's canals and squares, and 3-D cutaway illustrations and floor plans ensure you won't miss the best of the city's major museums, churches, and architectural sights. A pull-out city map with street finder index tucks into the back flap.

With hundreds of photographs, illustrations, and maps, DK Eyewitness Travel Guide: The Netherlands shows you what others only tell you.
