## LAKE CHAMPLAIN (9780615834276)

---

### Product description

---

This convenient-to-use book of charts contains four color, full-scale reproductions of the latest editions of NOAA charts: 14781, 14782, 14783, 14784, 14785. These charts provide coverage of the entire Lake Champlain from Rouses Point on the U.S. - Canadian border to Whitehall, NY, the start of the Champlain Canal - including Otter Creek to Vergennes. Its convenient size permits easy use in crowded steering areas; map sections are double-page size (11" x 17"); compass rose and special 5 second graduated scales on each page; navigation aids highlighted in red or green; extra latitude and longitude lines have been added at 30 second intervals; includes list of all navigation aids, their location, and characteristics; chart-locator map index for ease of use. All charts updated as of January 1, 2003.

Price : \$44.95
